# The Sun Will Come Out Tomorrow

2009 Iowa Mission of Mercy

Remember how dry it was all of September 2009 throughout Iowa? All of that came to an end on September 25 in Newton, Iowa. The sky clouded up, the heavens rumbled, and the rain came down. But, as the song says, "the sun'll come out tomorrow". Fortunately, for the thousands of volunteers and patients at the Iowa Speedway for the 2nd Iowa Mission of Mercy, the sun didn't wait until tomorrow – it came out mid-day (Of course, the next day was a repeat of the first day weather-wise). As witnessed by the photos here and on the Iowa Mission of Mercy web site ([www.iowamom.org](http://www.iowamom.org)), the rain didn't dampen the spirits of those who came to volunteer or those who waited in line for treatment.

Over 1,300 volunteers – dentists, hygienists, assistants, lab techs, dental supply representatives, nurses, and "lay" people from every walk of life – made the 2009 Iowa

Mission of Mercy a success. How do we know it was a success?

**Because over 1,500 patients received free dental care valued at over \$800,000.** Because the "thanks" are still pouring in from grateful patients.

The sun came out and with it the smiles. Take a look at the photos, the list of financial and in-kind contributors, and the seemingly endless list of volunteers. See if it doesn't make your day a little brighter and bring a smile to your face. If your name is on one of those lists, give yourself a little pat on the back for a job well done. If your name isn't on the list, we hope that you can join us next year so that you can have some sunshine in your life.

Thank you to all the 2009 Iowa Mission of Mercy volunteers. It wouldn't have been possible without you.

## Iowa MOM Volunteer Passes Away

*A sad note to the 2009 Iowa Mission of Mercy was the sudden death of Humboldt dentist Dr. Robert Dunscombe. He was taken ill in his motel room in Newton on Thursday, October 24, and died at University Hospital in Iowa City the next day. Dr. Dunscombe had traveled to Newton to volunteer his services at the Iowa Mission of Mercy.*

Dr. Robert "Rob" Dunscombe was a 1997 graduate of the University of Iowa College of Dentistry. He practiced for a period of time with his father, Dr. Larry Dunscombe. He later partnered with Dr. Ryan Gidel where the two operated North Park Family Dentistry in Humboldt. He was active in the Iowa Dental Association serving as the Fort Dodge District chair of the Council on Membership and was incoming president of the Fort Dodge District Dental Society.

He is survived by his wife and three children. Our thoughts and prayers are with them and all those who knew and loved him.
